SECRETARY'S REPORT

SECRETARY'S REPORT.

Honorable Board of Directors of the School District of
Kansas City.

Gentlemen:

In accordance with the rules of the Board, I herewith submit my report for year ending June 30, 1918, containing among others, financial report of the School District, showing in detail money received from all sources, the total of same agreeing with the total receipts as shown in the report of the Treasurer, preceding my report.

All receipts and expenditures in the several funds shown in the financial statement are again given under "Condition of Various Funds" later in same statement.

The bonded indebtedness of the District June 30, 1918, (\$7,161,500.00), is given in table form following this statement, as are also the bonds purchased by the Board for Sinking Fund and deposited with the Treasurer of the District. These bonds in the Sinking Fund are listed in detail after the financial statement.

The total expenditures by warrants drawn (\$2,973,-516.88) are shown in detail by schools in Table A.

Table A1 is made up from the same figures as Table A separating the expenditures as follows: Instruction-Salaries, Educational Materials and Supplies, Maintenance and Operation, Permanent Improvements and General Administration. The total cost of each school, also the average cost of education per pupil in each school, will be found in this table.

Including the above the usual statistical tables are arranged as follows:

- A. Statement of expenditures by schools, etc.
- A1. Comparative cost per pupil in each school.
- B-C. Location, description, size and value of sites, buildings and contents.
- D. School buildings, dates of erection, kind of heat, etc.
- E. Amount of fuel and water consumed at each school.
- J. Comparative receipts by years.

- K. Comparative expenses (warrants issued by years.
- M. Classified number of teachers.
- O. Text books authorized for high schools.
- P. Text books authorized and furnished elementary schools.

Following the above tables is a statement of business done in high school lunch rooms.

At the end of my report will be found statements of the condition of the E. C. White, Teachers' Emergency, Teachers' Institute Funds and the Cadet Bulletin which are special accounts, of which the secretary acts as treasurer, showing balances on hand June 30, 1918.

Respectfully submitted,
J. B. JACKSON, Secretary.

Kansas City, Missouri, July 1, 1918.

Hon. Board of Directors,
The School District.
Kansas City, Mo.

Hon. Board of Directors of the School District of Kansas City.
Gentlemen:

We, your Finance Committee, respectfully report that we have examined the foregoing annual report of E. F. Swinney, Treasurer of the School District of Kansas City, for the year ending June 30th, 1919, and believe same correct and the funds as stated therein to have been on hand June 30th, 1919.

JAS. E. NUGENT,
WM. A. KNOTTS,
Finance Committee.

Kansas City, Mo., July 9, 1919.

STATE OF MISSOURI,
COUNTY OF JACKSON, ss.

I hereby certify that I have examined the accounts of E. F. Swinney, Treasurer of the School District of Kansas City, for the year ending June 30th, 1919, and find same to be correct and in accordance with the foregoing statement.

Witness my hand and the seal of the County Court of Jackson County, Mo., this 9th day of July, 1919.

PETER J. KELLY,
County Clerk.
EDW'D KIRBY,
Deputy Clerk.
By A. E. THOMAS.

SECRETARY'S REPORT

SECRETARY'S REPORT.

Honorable Board of Directors of the School District of
Kansas City.

Gentlemen:

In accordance with the rules of the Board, I herewith submit my report for year ending June 30, 1919, containing among others, financial report of the School District, showing in detail money received from all sources, the total of same agreeing with the total receipts as shown in the report of the Treasurer, preceding my report.

All receipts and expenditures in the several funds shown in the financial statement are again given under "Condition of Various Funds" later in same statement.

The bonded indebtedness of the District June 30, 1919, (\$7,469,500.00), is given in table form following this statement, as are also the bonds purchased by the Board for Sinking Fund and deposited with the Treasurer of the District. These bonds in the Sinking Fund are listed in detail after the financial statement.

The total expenditures by warrants drawn (\$2,977,-833.38) are shown in detail by schools in Table A.

Table A1 is made up from the same figures as Table A separating the expenditures as follows: Instruction-Salaries, Educational Materials and Supplies, Maintenance and Operation, Permanent Improvements and General Administration. The total cost of each school, also the average cost of education per pupil in each school, will be found in this table.

Including the above, the usual statistical tables are arranged as follows:

- A. Statement of expenditures by schools, etc.
- A1. Comparative cost per pupil in each school.
- B-C. Location, description, size and value of sites, buildings and contents.
- D. School buildings, dates of erection, kind of heat, etc.

- E. Amount of fuel and water consumed at each school.
- J. Comparative receipts by years.
- K. Comparative expenses (warrants issued by years.)
- M. Classified number of teachers.
- O. Text books authorized for high schools.
- P. Text books authorized and furnished elementary schools.

Following the above tables is a statement of business done in high school lunch rooms.

At the end of my report will be found statements of the condition of the E. C. White, Teachers' Emergency, Teachers' Institute Funds and the Cadet Bulletin which are special accounts, of which the secretary acts as treasurer, showing balances on hand June 30, 1919.

Respectfully submitted,

J. B. JACKSON, Secretary.

Kansas City, Missouri, July 1, 1919.

Hon. Board of Directors of
The School District of
Kansas City, Missouri.

Gentlemen:

SECRETARY'S REPORT

SECRETARY'S REPORT.

Kansas City, Missouri, July 1, 1920.

Honorable Board of Directors of the School District of
Kansas City, Missouri.

Gentlemen:

Herewith is submitted the forty-ninth Annual Report of the Secretary and Treasurer of this School District for the year ending June 30, 1920.

The Financial Report gives in detail all money received from various sources and agrees in total with the report of the Treasurer.

All receipts and disbursements shown in the financial statement are separated under the heading "Condition of Various Funds."

The bonded indebtedness at the end of the year just closed was \$7,953,000.00, and is shown in tabulated form as are also the bonds purchased by the District and held by the Treasurer for the Sinking Fund.

The total of expenditures for this year was \$5,041,-190.65, and is shown in detail by schools in Table A. These figures are again given in Table A1 under the following subdivisions: Instruction, Salaries, Educational Materials and Supplies, Maintenance and Operation, Permanent Improvements and General Administration. The total cost of each school, also the average cost per pupil in each school is given in this table.

Including the above, the usual statistical tables are shown as follows:

- A. Statement of expenditures by schools, etc.
- A1. Comparative cost per pupil in each school.
- B-C. Location, description, size and value of sites, buildings and contents.
- D. School buildings, dates of erection, kind of heat, etc.
- E. Fuel and water consumed at each school.
- J. Comparative receipts by years.
- K. Comparative expenses by years.
- M. Classified list of teachers by departments.
- O. Text-books authorized for use in high schools.
- P. Text-books authorized for use and furnished by the District for pupils in the elementary schools.

Following these tables is given a report of the Purchas-

ing Agent on business done at the high school lunch rooms. I also show balances on hand June 30, in special funds which are held in trust by the Secretary.

Respectfully submitted,

J. B. JACKSON, Secretary.

Kansas City, Missouri, July 1, 1920.

Hon Board of Directors of
The School District of
Kansas City, Missouri.

Gentlemen:

I hand you herewith financial statement of this School District for year ending June 30, 1920:
